

<b>JOB TITLE</b> Major Projects Urban Designer	<b>CLASSIFICATION</b> Band 7	<b>REPORTS TO</b> Coordinator State Government Projects
---	---------------------------------	--

**WHAT WE TRUST YOU TO DELIVER**

- Positively influence the impact of major State Government projects on City of Stonnington and its built infrastructure.
- Undertake assessments of landscape and urban design proposals against Council's requirements and assets and manage priorities to provide timely feedback to State Government Agencies.
- Coordinate feedback and responses to/from relevant internal and external stakeholders including the Stonnington community, authorities and utility providers.
- Monitor progress against agreed program timeframes and deliverables, with regular reporting to team and direct manager, ensuring interdependent council projects and authorities are engaged and informed.
- Represent Council at various internal and external meetings, site walkovers and forums.
- Participate in a collaborative, innovative and responsive team, with an interest and a willingness to help people, expand your skillset and grow within the role.

**WHAT YOU'LL NEED TO THRIVE**

- Extensive experience and knowledge in urban design/landscape architecture preferably in a Local Government context and/or delivery of major infrastructure projects.
- Demonstrated knowledge of landscape architecture policies and practices, emerging trends and best practice, and their contribution to broader organisational objectives.
- Knowledge and understanding of Victorian planning and major infrastructure legislation frameworks.
- Ability to develop efficient lines of communication at various levels in multi-stakeholder projects and programs to gain cooperation and effectively resolve problems.
- Well-developed analytical, consultation, project, contract, communication (oral and written) and financial management skills.
- Excellent communication and people skills with the ability to negotiate influence and facilitate positive and cooperative working relationships with internal and external stakeholders, and the community
- Proven time management skills, and ability to plan and prioritise work to meet competing deadlines
- Demonstrated ability to work effectively as a team member and autonomously as required.
- Proficiency in the use of relevant industry-related project management, financial, and design and drafting software.
- Tertiary qualification in urban design, landscape architecture or related field, together with demonstrated experience in Landscape Architecture or similar environment.

**WHAT WE'LL DO TO SUPPORT YOU**

- Provide a safe and welcoming environment where you'll be encouraged to innovate and embed new ways of working.
- Deliver opportunity for genuine engagement and collaboration across all levels of the business.
- Provide access to our Executive Team to share ideas and make a positive difference across the organisation.

**WHERE YOU FIT IN AND THE DIFFERENCE YOU CAN MAKE**

**VISION** Council will be an inclusive, healthy, creative, sustainable and smart community  
**VALUES** Cooperation, Change and New Ideas, Learning, Achievement, Communication & Accountability.
