

POSITION TITLE:	People Operations Lead	CLASSIFICATION:	Band 8
REPORTS TO:	Manager - People, Culture & Safety	DIRECTORATE:	Organisation Capability
DEPARTMENT:	People, Culture & Safety	TEAM:	People Operations

OUR STRATEGIC CONTEXT	
	<p>PURPOSE Our organisation is accountable, sustainable, and delivering effective services to our community.</p> <p>VISION Our community is a safe, inclusive, and creative city that celebrates and embraces its vibrancy of cultures.</p> <p>VALUES Cooperation, Change and New Ideas, Learning, Achievement, Communication & Accountability.</p> <p>COUNCIL PLAN A thriving and unique place; an inclusive and healthy community; and a people-centred and future ready city.</p>

HOW YOUR ROLE CONTRIBUTES
<p>The People Operations Lead plays a critical role in shaping our HR service delivery, leading a dedicated team to provide essential people services. This includes overseeing payroll, managing the employee lifecycle events and administration, ensuring compliance with our Enterprise Agreement, and maintaining data integrity across our reporting. As a thought leader in HR practices, the HPO will drive continuous improvement initiatives that enhance operational efficiency, allowing employees to focus on their core responsibilities. This role is pivotal in collaborating with HR leadership and department heads to align strategies that promote a positive workplace culture and effective people management practices.</p>

RESPONSIBILITIES	KEY OUTCOMES
Payroll	<ul style="list-style-type: none"> ➤ Lead the payroll team to ensure accurate and timely payroll processing for all employees. Establish best practices and standard operating procedures to enhance efficiency and accuracy while promoting a culture of continuous improvement. ➤ Drive the overhaul of the payroll system in collaboration with IT and external vendors. Gather stakeholder requirements to design and implement a new solution that meets organisational needs and ensures a smooth transition from the old system. ➤ Ensure best practice usage of the Payroll system, with software updates actioned in a timely manner ➤ Ensure compliance with all relevant legislation, including the Fair Work Act and the Enterprise Agreement. Stay updated on payroll regulations and implement necessary policy changes in the system. Conduct regular audits to ensure accuracy and legal adherence. ➤ Authorise and oversee fortnightly pay runs, ensuring accurate calculations and compliance with legislation. Address discrepancies in payroll data before processing, working closely with the finance team to resolve issues and ensure correct deductions. ➤ Develop and maintain payroll reports in the new system to provide insights into costs, trends, and compliance. Use data analytics to identify improvement areas and make informed recommendations. Present key metrics to senior management to support strategic decision-making.
P&C and OHS Administration	<ul style="list-style-type: none"> ➤ Oversee all aspects of People & Culture (P&C) and Occupational Health and Safety (OHS) administration, including workflows, documentation, and compliance. Ensure tasks are executed accurately and efficiently, maintaining clear records and adherence to company policies. ➤ Centralise the management of employment contracts, variations, and terms and conditions, ensuring compliance with legal requirements. Regularly review and update all P&C templates, including employment contracts and employee letters, to reflect changes in legislation and best practices. Lead initiatives to digitise HR processes, promoting accessibility and compliance with data retention standards. ➤ Establish reporting mechanisms to monitor P&C and OHS activity, including volumes and trends. Provide insights that enhance decision-making and operational effectiveness through innovative practices.

	<ul style="list-style-type: none"> ➤ Team act as the first primary contact for resolving operational issues within P&C and OHS. Collaborate with stakeholders to ensure adherence to policies, addressing concerns promptly and fostering accountability. ➤ Identify and implement opportunities for process improvement and automation within P&C administration to enhance efficiency and reduce manual workload. ➤ Provide training and support to P&C team members and stakeholders on administrative processes and policies. Promote continuous learning to ensure team members are equipped with the necessary skills.
<p>Reporting, Analytics and PC systems</p>	<ul style="list-style-type: none"> ➤ Establish and oversee reporting and analytics for P&C and OHS across the employee lifecycle, utilising tools like Power BI to create comprehensive dashboards that provide insights into key metrics. ➤ Serve as the Subject Matter Expert (SME) for P&C systems, ensuring data integrity and robust reporting capabilities that support informed decision-making. ➤ Liaise with external providers and collaborate with the technology team to lead upgrades and modifications of HR information systems, ensuring they function as reliable primary sources of employment information. ➤ Develop standard processes for data entry and maintenance to ensure accuracy and facilitate audits, enhancing the overall quality and reliability of P&C data. ➤ Coordinate monthly P&C reporting, manage State of the Org and end-of-year reporting, ensuring the accuracy and integrity of data. Develop self-serve reporting capabilities for key stakeholders to enhance accessibility to insights. ➤ Regularly update stakeholders on system upgrades or changes, ensuring effective utilisation of HR systems and fostering collaboration across departments. ➤ Conduct regular assessments of HR systems and processes, identifying opportunities for improvement and implementing best practices to enhance efficiency and effectiveness. Maintain a comprehensive understanding of key people metrics to inform stakeholders and recommend opportunities for enhancement.
<p>Compliance, Policies & procedures</p>	<ul style="list-style-type: none"> ➤ Develop, maintain, and embed People & Culture (P&C) policies and procedures, ensuring they are up to date and collaborate with P&C team to ensure training is provided to managers for effective implementation. ➤ Oversee the continuous review of P&C policies to reflect changes in legislation and best practices, maintaining an accessible and regularly audited policy database. ➤ Provide guidance on P&C policies to managers and employees, ensuring clarity and consistency in their application across the organisation. ➤ Manage P&C intranet pages, ensuring content is up to date and maintained. ➤ Manage P&C compliance processes to ensure accuracy and timely completion across the employee lifecycle, focusing on areas such as Working with Children Checks (WWCC), police checks, and qualifications. ➤ Maintain expert knowledge of employment contracts and relevant HR legislation to ensure compliance with federal and state requirements, staying updated on any changes. ➤ Ensure that processes for visa and right-to-work documentation are consistently compliant with legal standards and organisational policies.
