**WHAT WE TRUST YOU TO DELIVER**

- Deliver a family centred Maternal and Child Health Service for Our City which maximises the health and wellbeing potential of children 0-6 years and their families by providing current evidence based information, support, advice and appropriate referrals to help children and families achieve the best outcomes.
- To promote health, wellbeing, safety, learning and developmental outcomes for children and their families, providing a holistic approach to the physical, emotional and social factors affecting families in contemporary communities.
- Provide anticipatory guidance, health promotion and prevention to children, mothers and families providing the best likelihood of optimal health, wellbeing, safety, learning, and development outcomes.
- Provide early intervention which is supported by identifying children, parents and families experiencing vulnerability, empowering them to act and facilitating the earliest possible opportunity for engagement with services
- Work in collaboration and partnership to improve the continuity of care across maternity, neonatal, health and family support services and within early years settings.
- Fulfil the requirements and targets set by the State Government relating to the Maternal and Child Health programs.

**WHAT YOU'LL NEED TO THRIVE**

- Capacity to maintain professional competency standards of MCH nursing practice with sound knowledge of current Maternal and Child Health evidence-based practices and policies.
- Specialised knowledge of normal child development and behaviour with the ability to transfer knowledge and skills to clients and others as appropriate.
- Highly developed assessment and referral skills and the ability to make appropriate referrals to early intervention services for children and relevant support services.
- An understanding of legislation relating to Mandatory Reporting of child abuse with the ability to assess children at risk and provide support, information, advocacy and referral where necessary.
- Current registration with the AHPRA as both a registered nurse and a registered midwife along with recognised qualifications in maternal and child health nursing with a current drivers licence and Working With Children Check.
- Well-developed communication skills in correspondence, report writing and client documentation using Microsoft office and DHHS Information Systems.

**WHAT WE'LL DO TO SUPPORT YOU**

- Provide a safe and welcoming environment where you will be encouraged to innovate and embed new ways of working.
- Deliver opportunity for genuine engagement and collaboration across all levels of the business.
- Commit to your long term growth and career development.
- Provide access to our Executive Team to share ideas and make a positive difference across the organisation.
